INTRODUCTION

Yoga originated in India around 5000 years ago and since then, this physical, emotional and spiritual practice has helped the human race maintain better health and overall well-being. On 27th September 2014, during a UN General Assembly meeting, Prime Minister Mr Narendra Modi spoke about the invaluable gift of yoga that ancient Indian tradition has given to the world. In a very impactful and convincing speech, the Prime Minister laid emphasis on the fact that yoga would help in bringing harmony between man and nature. The initiative was appreciated and the proposal to designate 21st June as International Yoga Day was decided by 193 members of the UN General Assembly on 11th December 2014. The yoga day proposal was supported by more than 170 countries. The following year, i.e 2015 International Yoga Day was celebrated on 21st June for the first time..

Keeping all this in view, KVSRSOCPS, Vijayawada has organized "International Yoga Day" for students on 21-06-2022.

OBJECTIVES

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow.
- Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- Aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.
- The increased level of consciousness would invariably lead to world peace as more and more people starts practicing Yoga.

PROGRAM DETAILS
International Yoga Day and World Music Day

International Yoga Day and World Music Day were celebrated with great enthusiasm at **Komma Reddy Venkata Sadasiva Rao Siddhartha College of Pharmaceutical Sciences, Vijayawada** on 21st June, 2022.

Smt. Kurra Vidhya jyothi, yoga instructor was the Chief guest for the session. She explained importance of yoga and its priority to relieve stress in modern living. She demonstrated various asanas, pranayamas that increase memory and help students to concentrate in their studies.

Convenor Sri CH. Arun Kumar, KVSRSOCPS shared his views that practice of yoga from student age relieve stress, improve memory and concentration.

On this eve Dr. A. Suneetha Principle of KVRSCOPS took the initiative of implementing meditation for 10-15 minutes every day in the first hour of the college.

Singing competitions and the winners were awarded prizes.

Dr. A. Suneetha, Principal, KVSRSOCPS, IQAC Coordinator Dr. G. Vijaykumar, Convenor Sri. CH. Arun Kumar, HOD'S, Staff and students attended the celebrations.

REPORT

Certificate Programme on

LIFE SKILLS

Organized by

DEPARTMENT OF PHARMACEUTICS & BIOTECHNOLOGY

In association with

DEPARTMENT OF PHARMACOGNOSY

Scope:

A short-term certificate program on “Life Skills” shall provide training for II/VI Pharm. D students. The main objective is to encourage students to have the balance of physical activity, nutrition and mental well-being and be conscious about hygiene, health and wellness.

Objectives:

- To understand the significance of physical and emotional health.
- To increase knowledge, inculcate positive and progressive attitudes and enhance life skills to promote informed, responsible and healthy behaviors among students.

S. No.	Course Content
1	Physical wellness
2	Mental and emotional wellbeing
3	Health and hygiene
4	Intellectual wellness

PRINCIPAL

INTRODUCTION

Yoga originated in India around 5000 years ago and since then, this physical, emotional and spiritual practice has helped the human race maintain better health and overall well-being. On 27th September 2014, during a UN General Assembly meeting, Prime Minister Mr Narendra Modi spoke about the invaluable gift of yoga that ancient Indian tradition has given to the world. In a very impactful and convincing speech, the Prime Minister laid emphasis on the fact that yoga would help in bringing harmony between man and nature. The initiative was appreciated and the proposal to designate 21st June as International Yoga Day was decided by 193 members of the UN General Assembly on 11th December 2014. The yoga day proposal was supported by more than 170 countries. The following year, i.e., 2015 International Yoga Day was celebrated on 21st June for the first time.

Keeping all this in view, KVSRSOCPS, Vijayawada has organized "International Yoga Day" for students on 21-06-2021.

OBJECTIVES

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow.
- Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- Aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.
- The increased level of consciousness would invariably lead to world peace as more and more people starts practicing Yoga.

International Yoga Day

International Yoga Day was celebrated virtually at KVS.R. Siddhartha College of Pharmaceutical Sciences, Siddhartha Nagar, Vijayawada on 21st June, 2021.

On this eve, Dr. G. Devala Rao, Principal of KVRSCOPS highlighted the significance of yoga and meditation that yogic breathing techniques improve respiratory and cardiac function, rendering it an effective tool to combat COVID-19. Yôga will also help to calm down the mind as well as enhance immunity during this pandemic

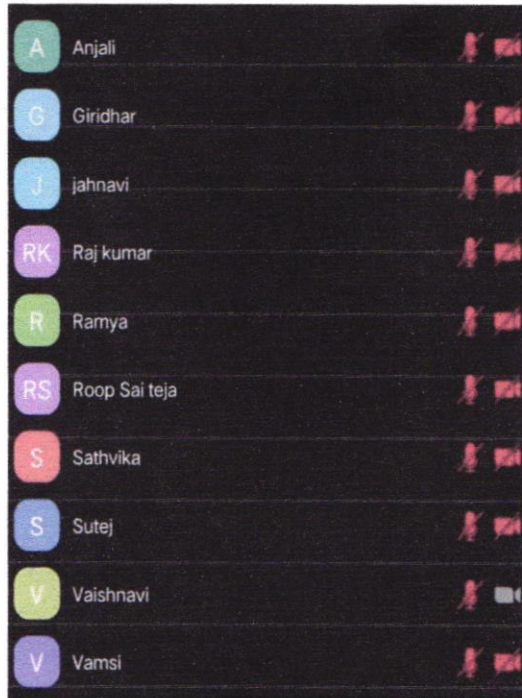

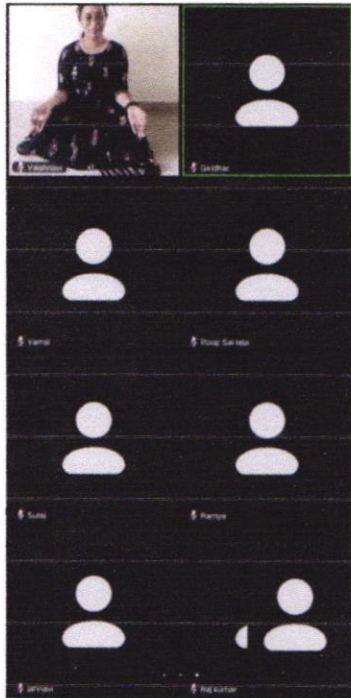

IQAC Coordinator Dr. G. Vijaykumar, HOD'S, Staff and students attended the celebrations online through google meet platform.

INTRODUCTION

Yoga originated in India around 5000 years ago and since then, this physical, emotional and spiritual practice has helped the human race maintain better health and overall well-being. On 27th September 2014, during a UN General Assembly meeting, Prime Minister Mr Narendra Modi spoke about the invaluable gift of yoga that ancient Indian tradition has given to the world. In a very impactful and convincing speech, the Prime Minister laid emphasis on the fact that yoga would help in bringing harmony between man and nature. The initiative was appreciated and the proposal to designate 21st June as International Yoga Day was decided by 193 members of the UN General Assembly on 11th December 2014. The yoga day proposal was supported by more than 170 countries. The following year, i.e., 2015 International Yoga Day was celebrated on 21st June for the first time..

Keeping all this in view, KVSRSOPS, Vijayawada has organized "International Yoga Day" for students on 21-06-2020.

OBJECTIVES

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow.
- Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- Aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.
- The increased level of consciousness would invariably lead to world peace as more and more people starts practicing Yoga.

International Yoga Day

International Yoga Day was celebrated virtually at KVSRR Siddhartha College of Pharmaceutical Sciences, Siddhartha Nagar, Vijayawada on 21st June, 2020.

On this eve, Dr. G. Devala Rao, Principal of KVRSCOPS highlighted the significance of yoga and meditation that yogic breathing techniques improve respiratory and cardiac function, rendering it an effective tool to combat COVID-19. Yoga will also help to calm down the mind as well as enhance immunity during this pandemic

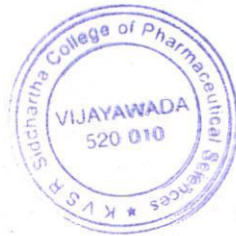

IQAC Coordinator Dr. G. Vijaykumar, HOD'S, Staff and students attended the celebrations online through google meet platform.

INTRODUCTION

Yoga originated in India around 5000 years ago and since then, this physical, emotional and spiritual practice has helped the human race maintain better health and overall well-being. According to the National Institutes of Health, scientific evidence shows that yoga supports stress management, mental health, mindfulness, healthy eating, weight loss and quality sleep. On 27th September 2014, during a UN General Assembly meeting, Prime Minister Mr Narendra Modi spoke about the invaluable gift of yoga that ancient Indian tradition has given to the world. In a very impactful and convincing speech, the Prime Minister laid emphasis on the fact that yoga would help in bringing harmony between man and nature. The initiative was appreciated and the proposal to designate 21st June as International Yoga Day was decided by 193 members of the UN General Assembly on 11th December 2014. The yoga day proposal was supported by more than 170 countries. The following year, i.e., 2015 International Yoga Day was celebrated on 21st June for the first time..

Keeping all this in view, KVSRSOPS, Vijayawada has organized "International Yoga Day" for students on 21-06-2019.

OBJECTIVES

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow.
- Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- Aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.
- The increased level of consciousness would invariably lead to world peace as more and more people starts practicing Yoga.

Academic Year: 2018-19

REPORT

Certificate Programme on

LIFE SKILLS

Organized by

DEPARTMENT OF PHARMACEUTICS & BIOTECHNOLOGY

Scope:

A short-term certificate program on "Life Skills" shall provide training for II/IV B. Pharm students. The main objective is to make the students understand the need of life skills education and provide awareness about physical fitness in day-to-day life.

Objectives:

- To maintain cleanliness in order to gain health and hygiene.
- To create consciousness among the students towards health, fitness and wellness.
- To acquire critical thinking to take right decisions at the right time.

S. No.	Course Content
1	Importance of physical fitness
2	Health and wellness
3	Dealing with psychological Stress
4	Professional skills

INTRODUCTION

Yoga originated in India around 5000 years ago and since then, this physical, emotional and spiritual practice has helped the human race maintain better health and overall well-being. On 27th September 2014, during a UN General Assembly meeting, Prime Minister Mr. Narendra Modi spoke about the invaluable gift of yoga that ancient Indian tradition has given to the world. In a very impactful and convincing speech, the Prime Minister laid emphasis on the fact that yoga would help in bringing harmony between man and nature. The initiative was appreciated and the proposal to designate 21st June as International Yoga Day was decided by 193 members of the UN General Assembly on 11th December 2014. The yoga day proposal was supported by more than 170 countries. The following year, i.e., 2015, International Yoga Day was celebrated on 21st June for the first time..

Keeping all this in view, KVSRSOCPS, Vijayawada has organized "International Yoga Day" for students on 21-06-2018.

OBJECTIVES

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow.
- Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- Aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.

PROGRAM DETAILS

International Yoga Day

International Yoga Day was celebrated with much fervor at KVSR Siddhartha College of Pharmaceutical Sciences, Siddhartha Nagar, Vijayawada on 21st June, 2018. Sister Radha, Chief of Brahma Kumaris, Vijayawada City Branch has graced as Chief Guest for the event. The Guests of Honor for the occasion were Sri. A.S.N.Reddy & Sri. Hari Purushottam. Sister Radha explained the significance of yoga and its benefits to relieve stress and highlighted yoga as the curer of all ailments. Dr. G. Devala Rao, Principal, KVSRSCOPS, HOD'S, Staff and students attended the celebrations.
