PROGRAMME REPORT

Name of the Event: Educational Opportunities for Pharmacy Students in US, UK and Canada

Date: 06.11.2021.

Resource Person(s): Sri.VSRKV Prasad, Operational Head, Hooper's Overseas Consultancy
Private Limited

Name of the Coordinator: Dr. K. Naveen Babu, T&P Officer, KVSRSOCPS.

Number of students attended: 237

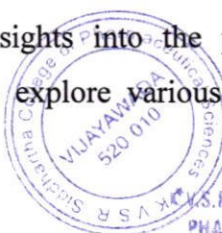

Venue: Class Room No: 401

Key Highlights of the Session:

- Comparative analysis of educational opportunities for pharmacy students in the US, UK, and Canada.
- Information on admission processes and requirements for pharmacy programs in each country.
- Insights into the pharmacy curricula and specialized areas of study.
- Discussion on internship and practical training opportunities during pharmacy programs.
- Overview of licensing procedures and career prospects in the field of pharmacy.
- Informed decision-making for students considering studying pharmacy abroad.

Outcomes of the Program:

- **Informed Decision-Making:** Students will have a comprehensive understanding of the educational opportunities available for pharmacy students in the US, UK, and Canada. They will be able to make informed decisions about which country aligns best with their career goals, personal preferences, and academic strengths.
- **Application Preparation:** The lecture will equip students with the knowledge and guidance required to prepare strong applications for pharmacy programs in the US, UK, and Canada. Students will understand the admission requirements, prerequisites, and essential components of a competitive application, enhancing their chances of securing admission to their desired institutions.
- **Career Path Exploration:** By gaining insights into the pharmacy profession in different countries, students will be able to explore various career paths and make

informed choices about their future endeavors. They will have a clearer understanding of the specializations, opportunities, and potential growth areas within the field of pharmacy.

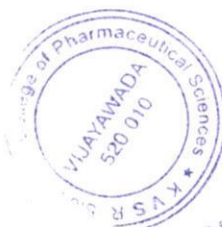

- **Networking Opportunities:** Guest lectures often provide networking opportunities. Students will have the chance to connect with the speaker, who may be an expert in the field or have valuable connections. Building relationships with professionals can lead to mentorship, guidance, and potential internship or job opportunities.
- **Clarity on Licensing and Certification:** Students will gain clarity on the licensing and certification processes required to practice pharmacy in the US, UK, and Canada. Understanding these procedures early on will help them plan their educational journey and ensure they meet the necessary requirements to practice pharmacy in their desired country.

Overall, attending this guest lecture will empower pharmacy students with essential knowledge and insights into educational opportunities in the US, UK, and Canada. It will help them make informed decisions, prepare competitive applications, and explore potential career paths within the field of pharmacy.

Programme Report:

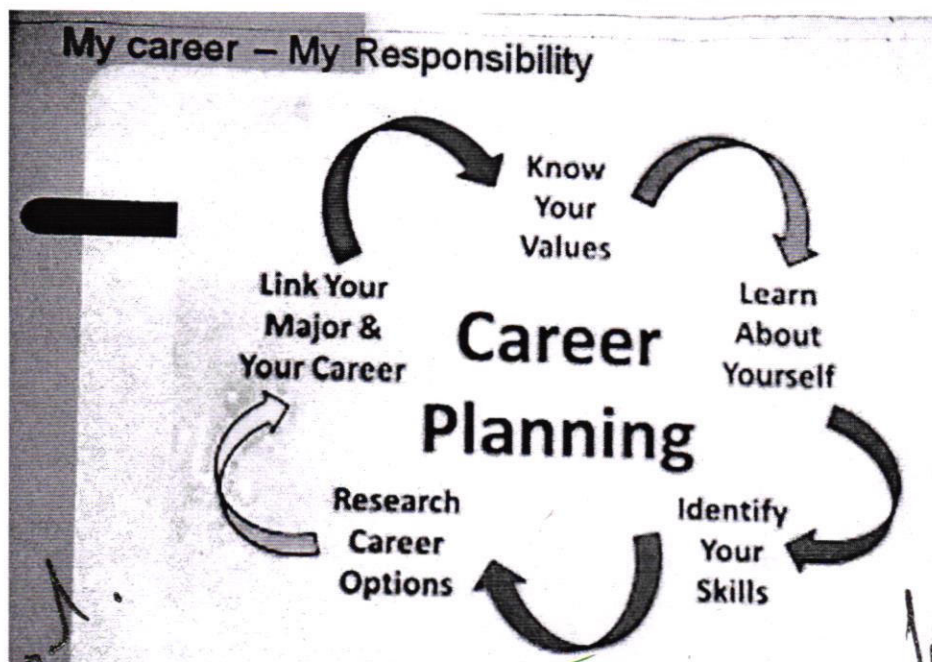

The programme "Training to Thriving: Placements as Launchpads to Career Heights" provided IV B.Pharm., II/II M. Pharm., and VI Pharm D. students with valuable insights and guidance on the significance of placements in their career growth. Through the expert knowledge shared by Dr. Vijaya Saradhi Settaluri, participants gained a comprehensive understanding of the benefits of practical experience, the importance of networking, and strategies to navigate the placement process effectively. The active participation and positive feedback from the 70 participants reflected the success of the programme in achieving its objectives. Overall, the programme empowered students to leverage placements as valuable resources and inspired them to strive for professional success. The Programme Coordinator,
