## PROGRAMME REPORT

**Name of the Event:** Career Opportunities for Pharmacy Students Post COVID-19 Pandemic.

**Date:** 22.03.2021.

**Resource Person(s):** Dr. Anumolu Sri Priya (Alumni), Novartis, New Jersey, USA

**Name of the Coordinator:** Dr. K. Naveen Babu

**Number of Students Attended:** 237

**Venue:** Class Room No. 401

### Key Highlights of the Session:

- Evolving healthcare landscape of post-COVID-19.
- Expanded roles in public health.
- Telepharmacy and digital health opportunities.
- Drug development and research prospects.
- Pharmaceutical supply chain management.
- Pharmacovigilance and regulatory affairs demand.
- Personalized medicine and pharmacogenomics.
- Mental health and well-being considerations.
- Health technology and data analytics integration.
- Adaptability and resilience as key skills.

### Outcomes of the Program:

- **Updated Industry Knowledge:** Attendees gain insights into the changes and emerging trends in the healthcare industry post-COVID-19, allowing them to align their career goals and plans accordingly.
- **Expanded Career Perspectives:** Students develop a broader understanding of the potential career opportunities available in pharmacy, enabling them to make informed decisions about their specialization and future paths.
- **Enhanced Professional Skills:** The lecture provides information on new skills and competencies required in the post-COVID-19 healthcare landscape, encouraging students to develop and acquire those skills.
- **Networking and Connections:** Guest lectures provide a platform for students to connect with industry professionals, creating opportunities for mentorship, internships, and potential job prospects.

experiences required for their desired career paths.

- **Adaptability and Resilience:** Students gain an understanding of the importance of adaptability, resilience, and continuous learning in successfully navigating and thriving in the evolving pharmacy profession.
- **Professional Growth and Development:** The lecture inspires students to seek continuous professional growth and development through advanced education, certifications, and staying updated with industry advancements.
- **Career Flexibility:** Students are encouraged to explore various career options within pharmacy, considering roles in public health, research, industry, regulatory affairs, technology, and other emerging areas.
- **Social Impact:** Attendees recognize the potential for pharmacists to make a significant social impact, contributing to public health, patient care, and healthcare system improvements in the post-COVID-19 era.
- **Optimism and Resilience:** The lecture instills a sense of optimism and resilience in students, inspiring them to overcome challenges, adapt to changes, and contribute positively to the pharmacy profession and healthcare community.

A guest lecture on “Career Opportunities for Pharmacy Students after COVID 19 Pandemic”

**Programme Report:** Mastering Interview Skills: A Path to Success for Pharmacy Students

**Date:** 09-02-2021

**Time:** 11:00 AM - 1:00 PM

**Venue:** KVSR Siddhartha College of Pharmaceutical Sciences

**Programme Coordinator:** Dr. Naveen Babu Kilaru, T & P Cell In-charge, KVSR SCOPS

**Principal:** Dr. G. Devala Rao

**Participants:** IV B.Pharm II/II M. Pharm. and VI Pharm D Students

**Total No. of Participants:** 131

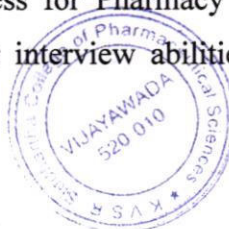

**Venue:** KVSR Siddhartha College of Pharmaceutical Sciences

**Programme Objectives:**

1. Equip students with the essential interview skills necessary to succeed in the pharmacy industry.
2. Provide practical knowledge and strategies for resume preparation, effective communication, and positive body language during interviews.
3. Enhance students' confidence in responding to common interview questions and handling various interview scenarios.
4. Foster an understanding of the importance of personal branding and professional image in creating a favourable impression on potential employers.
5. Address interview anxiety and provide students with techniques to overcome nervousness and perform at their best during interviews.
6. Empower students to showcase their skills, experiences, and accomplishments effectively to stand out in a competitive job market.
7. Facilitate interactive learning experiences through role-plays and exercises to reinforce interview skills and receive constructive feedback.
8. Inspire students to take proactive steps towards their career development and embrace the opportunities available in the pharmacy field.
9. Provide students with insights into the expectations of employers in the pharmacy industry and strategies to meet those expectations.
10. Encourage students to actively participate and engage in the program to maximize their learning and networking opportunities.

**Introduction:**

The "Mastering Interview Skills: A Path to Success for Pharmacy Students" program is designed to help pharmacy students enhance their interview abilities and succeed in the

Pharmaceutical industry led by Dr. Naveen Babu Kilaru, T & P Cell In-charge of KVSRR Siddhartha College of Pharmaceutical Sciences, this program will provide practical insights and strategies for creating impressive resumes, effective communication, positive body language, and handling common interview questions. Through interactive exercises and guidance, students will gain the confidence and skills necessary to stand out in interviews and secure promising career opportunities in the pharmacy field.

**Program outcomes:**

- Participants will enhance their interview skills, including effective communication, confident body language, and the ability to articulate their strengths and suitability for pharmacy roles.
- Participants will learn to create impressive resumes and application materials that effectively showcase their skills, experiences, and accomplishments.
- Participants will develop a higher level of confidence and professionalism in interview settings, enabling them to make a positive impression on potential employers.
- Participants will acquire the necessary skills and strategies to handle various interview scenarios, including answering challenging questions and demonstrating problem-solving abilities.
- Participants will become more career-ready and improve their employability in the pharmacy field, equipped with the tools and knowledge needed to secure desirable positions and embark on successful pharmacy careers.

In conclusion, the "Mastering Interview Skills: A Path to Success for Pharmacy Students" program offers valuable insights and practical strategies to help pharmacy students excel in their interviews and achieve success in the pharmaceutical industry. By enhancing their interview skills, creating impressive resumes, and developing confidence and professionalism, participants will be well-prepared to make a positive impression on potential employers. Additionally, the program equips participants with the skills and strategies needed to handle various interview scenarios, ultimately increasing their employability and readiness for rewarding pharmacy careers. With the knowledge gained from this program, participants are empowered to navigate the competitive job market and secure desirable positions.
