## PROGRAMME REPORT

**Name of the Event:** Career Opportunities for Pharmacy Students in Abroad

**Date:** 18.08.2017.

**Resource Person(s):** Mr. Maneesh Premchandra and Mr. Krishna Kishore, IDP Educational  
Pvt. Ltd. Vijayawada

**Name of the Coordinator:** Dr.K.Naveen Babu

**Number of students attended:** 253

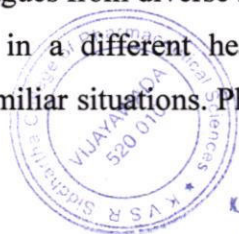

**Venue:** Seminar Hall

### Key highlights of the session:

- Growing global demand for qualified pharmacists.
- Diverse career settings in community pharmacies, hospitals, research institutions, pharmaceutical companies, etc.
- Competitive salaries and attractive benefits.
- Professional development through advanced research and technology.
- Cultural exchange and global outlook.
- Expanded clinical knowledge and exposure to diverse healthcare systems.
- Research opportunities for contributing to advancements in the field.
- Language and communication skills development.
- Leadership, adaptability, and problem-solving skills.
- Building a global network for future collaborations and opportunities.

### Outcomes of the Program:

- ✦ **Expanded Clinical Knowledge:** Working abroad exposes pharmacy students to diverse healthcare systems and practices, enabling them to expand their clinical knowledge and gain exposure to a wide range of disease conditions and treatments.
- ✦ **Research Opportunities:** Many international institutions offer robust research programs, allowing pharmacy students to engage in cutting-edge research projects and contribute to advancements in the field.
- ✦ **Language and Communication Skills:** Working in a foreign country enhances language proficiency and communication skills, as pharmacy students interact with patients, healthcare professionals, and colleagues from diverse linguistic backgrounds.
- ✦ **Leadership and Adaptability:** Working in a different healthcare system requires adaptability and the ability to navigate unfamiliar situations. Pharmacy students develop

PHARMACEUTICAL SCIENCES  
VIJAYAWADA-520 010

leadership skills, problem-solving abilities, and resilience as they adapt to new environments and practices.

↓ **Global Network:** Building connections with professionals from around the world opens doors to collaborative research, professional opportunities, and potential future collaborations.

It is important to note that specific career opportunities and outcomes may vary depending on the country of choice and the individual's qualifications, experience, and interests. Conducting thorough research and seeking guidance from career counselors and professional organizations can provide more detailed and up-to-date information regarding opportunities for pharmacy students in a specific foreign country.

**Programme Report:**

**Title:** Pharma Prospects: A Roadmap to Thriving Careers in Pharmacy

**Date:** 08-07-2017

**Programme Coordinator:** Dr. Naveen Babu Kilaru

**Resource Person:** Dr. K. Srikanth, Interim Dean & Professor at KGI School of Pharmacy and Health Sciences

**Participants:** IV B.Pharm., II/II M. Pharm., III/III Pharm D. and VI Pharm D. Students

**Total No of Participants:** 127

**Venue:** Seminar Hall, KVSR Siddhartha College of Pharmaceutical Sciences

**Objective:** The objective of the Pharma Prospects program is to provide pharmacy students with comprehensive information, guidance, and inspiration to explore diverse career opportunities in the field, thereby enabling them to make informed decisions and chart a successful career path in pharmacy.

**Introduction:**

Pharma Prospects: A Roadmap to Thriving Careers in Pharmacy was a highly informative and engaging program organized by KVSR Siddhartha College of Pharmaceutical Sciences on 8th July 2017. The aim of the program was to provide students with valuable insights and guidance on various career opportunities available in the field of pharmacy.

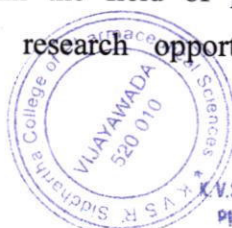

**Programme Details:**

The event was coordinated by Dr. Naveen Babu Kilaru, who ensured the smooth execution of the program. The main resource person for the day was Dr. K. Srikanth, an esteemed professional in the pharmaceutical industry with vast experience and knowledge. The program was conducted under the guidance and support of the college Principal, Dr. G. Devala Rao, who played a pivotal role in ensuring the success of the event.

Participating students included B.Pharm students from IV B.Pharm., II/II M. Pharm., III/III Pharm D. and VI Pharm D., who showed great enthusiasm and eagerness to explore their future career paths.

**Programme Outcomes**

1. **Expert Talks:** Dr. K. Srikanth delivered a series of insightful presentations on the diverse career opportunities within the field of pharmacy. He shared valuable information on industry trends, research opportunities, entrepreneurship, and emerging areas in pharmacy.

PHARMACEUTICAL SCIENCES

2. **Interactive Sessions:** The program included interactive sessions where students actively participated and raised questions related to their career concerns. Dr. Srikanth provided personalized guidance and advice based on individual interests and aspirations.
3. **Career Roadmap:** Students were provided with comprehensive guidance on planning their career paths in pharmacy. The session covered topics such as higher education options, specialization choices, and professional development strategies.
4. **Case Studies and Success Stories:** Dr. Srikanth shared real-life case studies and success stories of pharmacy professionals, inspiring the students and giving them a practical understanding of the possibilities and challenges in the field.
5. **Networking Opportunities:** The event offered a platform for students to interact with professionals from the pharmaceutical industry. This allowed students to expand their network, seek mentorship, and explore potential internship or job opportunities.

**Pharma Prospects:** A Roadmap to Thriving Careers in Pharmacy was a highly successful program that equipped pharmacy students with the necessary knowledge and guidance to navigate their future careers effectively. The event fostered a sense of inspiration and motivation among the participants, empowering them to make informed decisions and excel in their chosen paths.

The program's success was attributed to the dedication and expertise of Dr. Naveen Babu Kilaru as the program coordinator and the valuable insights shared by Dr. K. Srikanth as the resource person. The active participation of the students and the supportive environment provided by KVSR Siddhartha College of Pharmaceutical Sciences further contributed to the program's overall impact.
