

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

KVSR Siddhartha College of Pharmaceutical Sciences has established the KVSRSOPS Alumni Association with such a noble vision. The association aims to provide various educational, cultural, social, literary, and medical facilities exclusively to those affiliated with the college, including present students.

One of the primary objectives of the association is to foster a lifelong connection between the institution and its graduates, promoting intellectual and emotional ties. It also aims to collaborate with one another to provide vocational guidance to unemployed students and assist with placements. This support can be instrumental in helping students kick-start their careers after graduation.

The association plays a crucial role in providing leadership, voluntary commitment, goodwill, and financial support to fulfill its objectives. Additionally, it aims to strengthen industry-academic collaboration, which can enhance opportunities for students and alumni alike. Effective communication, including public relations, is also a priority for the association.

Overall, the KVSRSOPS Alumni Association serves as a platform for alumni to stay connected with the college, contribute to its growth, and support current students in their academic and professional endeavors.

Contribution of alumni association:

Interactions with industrial associates: Alumni association supports the students and institution by arranging guest lectures, training programs, career consultations, motivating the students and finally it acts as a link between industry and institute.

Alumni interaction: Alumni of our institute are invited as resource persons at various events, guest lectures and panel discussions to give inputs to aspiring graduates. They provide inputs and share their experiences regarding skills, recent technologies & trends in pharmaceutical research, application of knowledge and working culture.

Placement and career guidance: Alumni working in different pharmaceutical companies keep the faculties and the placement officer abreast about the available job opportunities. They assist and guide the students to crack the interviews. They also share their experience with the students and motivate them for their career development in various domains.

Entrepreneurship Awareness: Some of our Alumni have established start-ups. Through the journey as an entrepreneur, they learnt various skills & knowledge. They enlighten the students with their success stories and challenges faced.

Other services:

- Supports students and institute to aid for industrial visit/training of students.
- To find sponsors for project allotment and to support training in industries.
- To procure equipment for the up gradation of laboratories of institution.
- Supports Training & Placements cell by sharing achievements to inspire, share views and information regarding opportunities.
- Publish regular bulletins on alumni activities and achievements by alumni members.
- To arrange get together to promote active interaction among the members.
- To interact and motivate members to associate and contribute for the alumni.
