1.1.1 The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response

The college established the Vision and Mission statements through a consultative process involving the internal stakeholders (management, governing body members, faculty, support staff, students, etc.) and external stakeholders (employers, industry, alumni, etc.), considering the scope and growth of the college and future societal needs.

KVSRSCOPS offers a wide range of courses such as B.Pharmacy, Pharm.D, Pharm.D (PB) and M.Pharmacy with two specializations i.e., Pharmaceutics & Pharmaceutical Analysis. All the courses offered by the institute were developed relevant to local, national and global development needs. The curriculum is framed by Pharmacy Council of India (PCI) and implemented by Board of Studies (BOS) of Krishna University.

Curriculum Planning & Delivery:

Committees such as Examination Committee, Library Committee, GPAT Committee, Institute – Industry Cell, IPR Cell, Disciplinary Committee, Industrial research & Consultation Committee, E-Cell, Time table Committee and Attendance committee are essential in delivering and monitoring the institutional performance in curriculum. The Principal instructs all Heads of Department about the distribution of workload for teaching courses/subjects, subject preference considering the staff's willingness. After workload distribution, the academic calendar of the college is prepared in accordance with the academic calendar of Krishna University, which includes schedules for examination (Internal assessment, Sessional and End semester), co-curricular and extracurricular activities etc.

The academic time table is prepared subsequently and displayed on the notice board and college website. According to the subject allotment, individual teaching staff prepares course file which includes

Educational competence is usually assessed at two levels: internal, periodic assessment in the institution and final examination conducted by the University.

Different forms of assessment followed in the institution include:

- a) The written examination: This includes free response (Essay and short answer questions) and fixed response (Objective type, e.g. MCQs).
- b) The practical examination: The practical examinations typically assess the students' laboratory skills and the practical knowledge gained.

As per the curriculum and University regulations, the sessionals are conducted as per the curriculum for B. Pharmacy, M. Pharmacy, Pharm D and Pharm D PB).
