Action Taken Report ACADEMIC YEAR 2021-22

Name of the Stakeholder: STUDENT

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stakeholders.

Student's feedback above 80% is considered as a positive feedback and below that as a negative feedback and the feedback analysis is taken into account for the improvement of the curriculum. Out of eleven Questions, concerns were expressed and based on the positive feedback received, institution continued to adopt measures to continue the same rigor.

S.No.	Question	Feedback concern	Percentage consences	Action to be taken
1	Relevance of curriculum framed by the university/PCI	Excellent	96%	Institution has adopted the same curriculum framed by the university/PCI to maintain the same output.
2.	Satisfaction on hours allocated and credits to the courses	Excellent	98%	Institution ensured that the curriculum was covered within the allocated hours by prior design and implementation of academic plan.
3	Curricular & Co-Curricular activities (VAC, Guest Lecture, Industrial Visit) to bridge the gap between academic and industrial needs.	Excellent	90%	Skill development programmes, other certificate programmes and industrial visits were organized along with the curriculum to bridge the gap between academic and industrial requirements.
4	Satisfaction of assessment pattern for students to face university exam with confidence	good	86%	The academic grievances from students for their improvement in internal assessment was

Name of the Stakeholder: Alumni

The feedback is collected and analyzed at college academic meetings in the institution. Alumni feedback above 80% is considered as a positive feedback and below that as a negative feedback. Out of seven Questions, all questions got positive feedback on which we will continue the same rigor to maintain the same output.

S.No	Question	Feedback/ Concern	Feedback consenses	Action taken
1	To what extent is your current position related to your program of study	Very Good	100%	The curriculum followed as per norms of University/PCI met the requirement of students. In addition, measures were taken to strengthen industry-institution interaction by collaboration with different industries through MOUs.
2	How well do you think your undergraduate experience prepared you to	Excellent	83%	The institution strives to continue follow-up measures with the same rigor.
3	Allocations of the hours and credits to the courses are satisfied	Very Good	100%	The institution strives to continue follow-up measures with the same rigor to maintain transparency.
4	Satisfied with the academic performance /ranking of our institution	Very Good	83%	Participation in NIRF ranking and NAAC accreditation
5	Library and industry powered centre facilities for the courses are more than adequate in our institution	Excellent	100%	The institution strives to continue follow-up measures with the same rigor.
6	Assessment pattern is satisfied to face university exam in confidence	Very Good	100%	Different modes of teaching-learning methodologies were adopted and implemented as it facilitates students to better understand the concepts.
7	Electives offered in the syllabus are in relation to the technological advancement	Excellent	83%	Curriculum was designed by the incorporation of elective subjects based on latest innovations in the field of pharmaceutical sciences.
