POLICY DOCUMENT FOR SCHOLARSHIP

KVSR Siddhartha College of Pharmaceutical Sciences, Vijayawada is committed to promoting excellence in education and supporting deserving students in their academic pursuits. The purpose of this policy document is to outline the guidelines and procedures for the scholarship program offered by the college.

Objectives:

- To encourage and support students from economically disadvantaged backgrounds.
- To promote diversity and inclusivity by offering scholarships to students from marginalized communities.
- To recognize and reward exceptional talents and achievements in extracurricular activities.

Eligibility Criteria:

- The applicant must be a currently enrolled student at KVSR Siddhartha College of Pharmaceutical Sciences.
- The student should have a minimum cumulative grade point average (CGPA) of 7.5 to be eligible for consideration.
- The student must have completed at least four semesters of study at the college.
- The student must provide substantial evidence of their exceptional talent or achievement, such as national or international awards, major accomplishments, or recognition.
- The scholarship is not available to students who have received any other scholarships or financial aid.
- The student must provide complete documentation, including detailed financial statements, to support their need-based scholarship application.
- The student should demonstrate financial need, which will be assessed based on specific criteria established by the college.
