- Maintain a network of safety contacts within Global Safety (GS) and affiliates.
- Participate in projects in Global Safety or in other parts of the organisation with impact in Global Safety processes.
- Liaise with affiliates and partners for local literature and compliance.
- Liaise with Safety Reporting and IT in all aspects of data retrieval and custom reporting.
- Participate in inspections and audits when required.
- Assist with related administrative and procedural activities as required or requested.
- Independent decisions making regarding evaluating the submission of adverse event reports.
- Ensure compliance with the training plan provided for the role.
- Act as a buddy for colleagues and provide trainings as required.

Typical knowledge and specific experience

- Good communication skills (written and oral), with English correspondence.
- Basic working knowledge of MS Windows applications including MS Office tools.
- Basic knowledge of Pharmacovigilance and medicinal terminologies and Clinical Pharmacology.
- Basic knowledge of Pharmacovigilance principles and international regulatory requirements regarding drug safety.
- Basic Novo Nordisk organizational or pharmaceutical company understanding.
- Basic knowledge of Novo Nordisk products, incl. mechanism of action, safety profile, patient population, etc.

Personal skills

- Self-motivated and proactive.
- Quick learning and analytical skills.
- Ability to take up initiatives.
- Team oriented personality with high degree of flexibility.
- Ability to capture attention and motivate a team around discussion.
- Ability to work independently and within strict timelines.
- Attention to detail and quality.
- Willingness to occasionally work at unusual times.
- Strive for continuous improvement.

Dear B. Pharmacy, M. Pharmacy, Pharm. D. 2017-18 pass outs

All the aspirants are requested to send their resumes naveenbaukilaru@gmail.com or kvsrsopsplacements@gmail.com. for M/s Novo Nordisk Service Centre India Private Ltd. before 9th August 2017

Name of the Company: Novo Nordisk Service Centre India Private Ltd

Job Title: Drug Safety Associate

Eligibility Criteria: B. Pharmacy, M. Pharmacy

Selection Procedure: Novo Nordisk Introduction, Written test & HR face to face interview

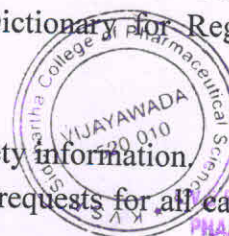

Salary Package: 3.0 Lakhs/Annum

Job Location: Bangalore

Type of Placement Drive: Campus Drive

Responsibilities include

- Perform initial evaluation of reported adverse events (serious and non-serious) from all sources.
- Perform case entry and verification of reported non-serious and serious adverse events; enter the reported information in the Novo Nordisk safety database, on the basis of individual case histories, correspondence with affiliates/sites and other departments in headquarters (HQ) and various administrative assignments.
- Ensure accurate and consistent coding of all events for serious and non-serious cases entered in the Argus with the use of MedDRA (Medical Dictionary for Regulatory Activities).
- Evaluate causality, seriousness and listedness for all cases.
- Ensure that case narrative comprises correct and appropriate safety information.
- Assess the need for follow up information and issue follow up requests for all cases and post queries in EDC and/or to affiliate
- To be responsible for Periodic Safety Update Report (PSUR) clean up and other case clean-up activities.
- Ensure that all tasks are performed in compliance in accordance to GXP requirements.
