Siddhartha College of Pharmaceutical Sciences Eco Club(SCOPE) in association with Department of Pharmacognosy took an initiative to implement Ban on Plastic Use within the college premises to reduce Plastic pollution. To effectively enforce the ban, please refrain from bringing plastic bags, single-use plastic bottles, disposable plastic cutlery, plates, cups, plastic straws etc. onto the campus. Opt for reusable or eco-friendly alternatives instead.

We encourage you to participate in workshops, seminars, and awareness campaigns organized by the college to educate peers, family, and society on the hazards of plastic pollution and the benefits of alternative solutions.

We request all students, faculty, and staff to actively support this initiative by adhering to the ban on plastic use. Thank you for your cooperation and commitment to sustainability.
